

DESIGNER SILVER JEWELRY AND FINE JEWELRY MAY 30 - JUNE 13 | TIMED ONLINE ONLY

BIDDING WITH LESLIE HINDMAN AUCTIONEERS ON BIDSQUARE:

Our summer Designer Silver Jewelry and Fine Jewelry auctions will be held as timed online only auctions and will be hosted on Bidsquare.com. A timed online only auction is automated and takes place solely online. The bidding for each lot is opened at a predetermined amount/starting bid set by the auctioneer, usually at a set time and stays open over an extended period of hours or days. During this period of open bidding one will be able to see the current high bid on each lot. You may place a higher bid at a defined bidding increment you choose.

In timed only online auctions, bidders are automatically informed by email if they are the high bidder or if they have been outbid by another competing bidder. At the end of the defined bidding period, if the highest bid offered meets the minimum price designated by the seller as acceptable, the lot is sold. Bidding on all lots in a timed online only sale begins to close at a specified time, with lots closing at regular intervals until the auction has ended. Some timed auctions allow extended bidding. In such a case, if a bid is placed on a lot within the specified time before closing, the bidding may automatically be extended for a set period of time. Length of extended bidding is set by the Auctioneer prior to the opening of the auction.

EVALUATING PROPERTY

The best way to obtain information regarding specific lots in an auction is to view the items in person. The absence of any reference to the condition of lot does not imply that the lot is in perfect condition or completely free from wear and tear, imperfections or the effects of aging. For more information, see Leslie Hindman Auctioneers Conditions of Sale.

PREVIEW EXHIBITIONS

Leslie Hindman Auctioneers offers preview exhibitions which are free and open to the public. We encourage you to attend and visit the preview, where you may view the items in person, speak with specialists and members of the auction team, and register to bid.

FULLY ILLUSTRATED ONLINE AUCTION CATALOGUES

Leslie Hindman Auctioneers publishes a complimentary, fully illustrated online catalogue on our website. Our online catalogue contains the same detailed information as the printed catalogue and clients may view enlarged photographs, track lots, place absentee bids or request additional information.
